Subject: Monitoring Well Survey
Service Station No. 4320
370 Sebastapol Road
Santa Rosa, CA

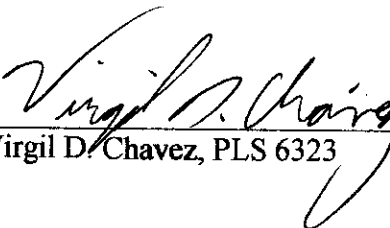

Dear Tim:

This is to confirm that we have proceeded at your request to survey the ground water monitoring wells located at the above referenced location. The survey was completed on May 27, 2005. The benchmark for this survey was a City of Santa Rosa benchmark being a disk in well monument on the centerline of Dutton Ave., approximately 124 feet south of W. Third Street. The latitude, longitude and coordinates are for top of casings and are based on the California State Coordinate System, Zone II (NAD83)
Benchmark Elev. = 143.849 feet, (NGVD 29).
